• CURRENT POSITION

2021 – pres. *CNRS Directeur de Recherche*, L2IT, Toulouse, France

2021 – pres. *Head of the GW team*, L2IT, Toulouse, France

• PREVIOUS POSITIONS

2017 – 2021 *Junior Scientist / Postdoc*, Max Planck Institute for Gravitational Physics (Albert Einstein Institute), Potsdam, Germany

2014 – 2017 *Eurotalents Research Fellow / Postdoc*, Institut de Physique Théorique, CEA Saclay

• EDUCATION

2014 *PhD in applied mathematics*, Department of Mathematics, University College London, UK

2010 *MSc in theoretical and computational physics*, University of Trento, Italy

2008 *BSc in physics*, University of Trento, Italy

• PROFESSIONAL TRAINING

2023 *Formation Manageriale “SOCLE” du CNRS*, Toulouse/online, 2023

• INSTITUTIONAL APPOINTEMENTS

2026 – pres. *Director of the GdR Ondes Gravitationnelles*

2026 – pres. *Nominated member of the Conseil Scientifique of the IN2P3*

2022 – 2025 *Member of the Conseil Scientifique of the GdR Ondes Gravitationnelles*

• RESEARCH RESPONSIBILITIES

2025 – pres. *Member of the LVK O4b cosmology paper writing team*

2024 – pres. *Member of the Virgo Speakers Committee*

2024 – pres. *Member of the Einstein Telescope Early-Career Scientist Support Committee*

2023 – pres. *Co-chair of the Einstein Telescope OSB Division 5 on synergy with other GW observatories*

2022 – pres. *Member of the Virgo Steering Committee*

2022 – 2023 *Coordinator General of the GW Early Career Scientists (GWECS) organisation*

2022 – 2025 *Coordinator of the cosmology working group of the GdR Ondes Gravitationnelles*

2021 – pres. *Leader of the Virgo group at L2IT*

2021 – pres. *Leader of the L2IT-IRAP LISA Consortium group*

2021 – 2025 *Co-chair of the LIGO-Virgo-Kagra Cosmology Working Group*

2021 – 2024 *Elected early-career co-chair of the LISA Cosmology Working Group*

2021 – 2025 *Member of the LISA Consortium Publication & Presentation (P&P) Committee*

2019 – 2025 *Coordinator of the LISA Working Package for the estimation of cosmological parameters*

2019 – 2021 *Elected co-chair of the LISA Early Career Scientists group*

• ACADEMIC RESPONSIBILITIES

2023 *Member of the selection committee for a tenure-track professorship position (chaire excellence), Aix-Marseille University, France*

2022 *Member of the selection committee for a tenure-track professorship position (CPJ), L2IT*

2022 – 2025 *Member of the Collège Scientifique Physique-SDU de l'Université Paul Sabatier, Toulouse*

2021 – pres. *Chair of several selection committees for postdocs and PhD students at the L2IT*

2019 – 2021 *Member of the PhD Application Committee, MPI for Gravitational Physics, Germany*

• SUPERVISION OF STUDENTS AND POSTDOCS at L2IT

5 Postdocs, 4 PhD students (+2 co-supervised) and 10 master/undergraduate students

- **SELECTED RESEARCH GRANTS, FELLOWSHIPS AND SCHOLARSHIPS**

- 2026 *CNRS PRIME80 PhD scholarship*, L2IT [in collaboration with LUX, ca. €160000]
- 2026 *MSCA Staff Exchanges project GWCats*, L2IT (role: PI) [collaborative research fundings in collaboration with 18 international institutions, tot. €700000]
- 2025 *OSCARS project UpGLADE*, L2IT (role: co-PI) [tot. €250000]
- 2024 *ANR MRSEI*, L2IT (in collaboration with Univ. of Glasgow; role: PI) [ca. €30k]
- 2024 *CNRS AMORCE*, L2IT (in collaboration with Univ. of Glasgow; role: PI) [€10k]
- 2023 *CNES PhD Grant*, L2IT [ca. €70k]
- 2023 *Plan Nationaux de l'INSU and Écoles Thématiques du CNRS* (in collaboration with IRAP, CPPM, CPT, ARTEMIS for the Summer School MaNiTou; role: PI), L2IT (€15k)
- 2022 *CNRS MITI* (in collaboration with APC, CEA and CNES; role: PI), L2IT (€50k)
- 2021 *ANR Tremplin ERC StG Fellowship*, L2IT (€68k)
- 2015 *Eurotalents Research Fellowship*, Institut de Physique Théorique at CEA, France (€65k)
- 2011 *Graduate Research Scholarship*, University College London, UK (£66k)
- 2005 *PAF Scholarship and Award*, University of Trento, Italy (€12k)

- **TEACHING ACTIVITIES**

1 long-term course (teaching assistant), 6 short-term courses (teacher) and 5 invited pedagogical seminars

- **ORGANISATION OF SCIENTIFIC MEETINGS** (selected among a total of 28)

- 2026 *PONT 2026*, Avignon, France
- 2026 *Gravitational Wave Open Data Workshop*, Toulouse, France
- 2025 *Shedding light on dark sirens*, Lorentz Center Workshop, Leiden, The Netherlands
- 2025 *4th MaNiTou Summer School on Gravitational Waves*, Marseille, France
- 2025 *Journée LISA à Toulouse*, Toulouse, France
- 2024 *3rd MaNiTou Summer School on Gravitational Waves*, Toulouse, France
- 2024 *GWCats: Gravitational Wave Cosmology meets Galaxy Catalogues*, Glasgow, UK
- 2023 *2nd MaNiTou Summer School on Gravitational Waves*, Nice, France
- 2023 *10th LISA Cosmology Working Group Workshop*, Stavanger, Norway
- 2022 *LISA data analysis: from classical methods to machine learning*, Toulouse, France
- 2022 *Assemblée Générale GdR Ondes Gravitationnelles*, Toulouse, France
- 2022 *1st MaNiTou Summer School on Gravitational Waves*, Marseille, France
- 2022 *Virgo France Cosmology Meeting*, Paris, France
- 2021 *Workshop on Gravitational Waves Astrophysics for Early Career Scientists*, online

- **SEMINARS, TALKS AND CONFERENCES** (see personal website for complete list)

- 27 invited seminars and colloquia at universities/research institutes
- 28 invited talks at international conferences
- 28 contributed talks at international conferences
- 12 chaired and convened sessions at conferences

- **REVIEWING ACTIVITIES**

- Peer-review referee for 21 research journals (*Nature*, *PRL*, *PRD*, *MNRAS*, ...)
- Reviewer for 7 funding schemes (*SNSF*, *NWO*, *ANR*, ...)
- Reviewed theses (external reviewer): 5 PhD theses and 1 MSc thesis

- **MAJOR COLLABORATION MEMBERSHIPS**

- 2022 – pres. Member of the *Einstein Telescope Consortium*
- 2021 – pres. Member of the *Virgo Collaboration*
- 2014 – pres. Full/Core member of the *LISA Consortium*
- 2017 – 2021 Member of the *LIGO Scientific Collaboration*

- **PUBLICATIONS** (full list on personal webpage: <https://nicolatamanini.github.io/Publications>)

- 64 Publications in peer-review journals (short author-list / small collaborations)
- 5 Conference proceedings & similar (published/peer-reviewed)
- 48 LVK and Virgo collaboration papers
- 18 White papers & other community-oriented documents
- 2 Outreach articles
